CAREER GOALS

I am a hardworking and ambitious individual with a great passion for the IT industry. I am currently in my fourth year of studying BSc (Hons) In Information Technology at SLIIT. I would like to take responsibilities, risk, and face new challenges. I hope to become a reputed and unique professional available in Software Engineering to my qualifications. I would like to work as a group, and I have more experience in leadership and teamwork. I have excellent communication and leadership skills, enabling me to effectively communicate with a wide range of people. I can put into practice my knowledge and experience, ultimately benefiting the operations of the organization that I work for.

EDUCATION

BSc. Hons Information Technology
Sri Lankan Institute of Information Technology
Malabe
